

## ECMM EDUCATIONAL SYMPOSIUM:

### **Ecology and Mycology: From the Environment to the Patient's Bed**

#### **Program:**

<i>Sunday, 14/2/2016</i>	
	Opening Ceremony and Welcome Reception 1900-2100
<i>Monday, 15/2/2016</i>	
<b>All lectures include 5 min. discussion</b>	
<b>Session 1, Chairs: Cornely OA, Segal E.</b>	
0900-0935	<b>Andrew Ullmann</b> , Germany "Antifungal Therapy - State of the Art in View of Changing Epidemiological Patterns"
0935-1010	<b>Jacques Meis</b> , The Netherlands "Azole Resistant <i>Aspergillus fumigatus</i> – Global Epidemiology of Clinical and Environmental Resistance"
1010-1045	<b>Teun Boekhout</b> , The Netherlands, "Biodiversity and Ecology of <i>Cryptococcus</i> : Relevance to Clinic?"
	Coffee Break: 1045-1115
<b>Session 2, Chairs: Ullman A, Polacheck I.</b>	
1115-1150	<b>Jean-Philippe Bouchara</b> , France "Environmental Reservoirs of <i>Pseudoallescheria boydii</i> / <i>Scedosporium apiospermum</i> species complex"
1150-1225	<b>Malcolm Richardson</b> , United Kingdom "The Sick Building Syndrome"
1225-1300	<b>Joao Brandao</b> , Portugal "Microbiology of Sands and Its Impact on Human Health"
	Lunch Break: 1300-1400
<b>Session 3, Chairs: Meyer W, Elad D.</b>	
1400-1435	<b>Cornelia Lass-Floerl</b> , Austria "Data from TerrNet- <i>Aspergillus terreus</i> : a Special Pathogen in View of Changing Patterns of Aspergillosis"
1435-1510	<b>Oliver A. Cornely</b> , Germany "Mucormycosis–State of Art"
	Coffee Break: 1510-1540
<b>Session 4, Chairs: Richardson M, Berdicevsky I.</b>	
1540-1615	<b>Frank-Michael Müller</b> , Germany "The Effect of Environmental Changes on Fungi Affecting CF Patients"
1615-1650	<b>Aristea Velegraki</b> , Greece "Update on the <i>Mallassezia</i> Associated Skin Diseases. The Impact of Climate Change"

<i>Tuesday, 16/2/2015</i>	
<b>All lectures include 5 min. discussion</b>	
<b>Session 5, Chairs: Lass- Floerl C, Keller N.</b>	
0900-0935	<b>Malcolm Richardson</b> , United Kingdom "Antifungal Susceptibility Testing in View of Changing Patterns in Systemic Fungal Infections"
0935-1010	<b>Mihai Mares</b> , Romania "Fighting Against Fungi outside the Host – a Multifaceted Issue"
1010-1045	<b>Wieland Meyer</b> , Australia "Molecular Approaches for Nosocomial/Outbreak Investigations of Fungi in Context of Environmental Factors"
Coffee Break: 1045-1115	
<b>Session 6, Chairs: Brandao J, Korem M.</b>	
1115-1150	<b>Ronen Ben Ami</b> , Israel "Pathogenesis of Invasive Aspergillosis: from Survival in the Environment to Host Invasion"
1150-1225	<b>Shmuel Benenson</b> , Israel "Cluster of <i>Fusarium solani</i> in a Bronchoscopy Unit"
1225-1300	<b>Esther Segal</b> , Israel "Impact of Environmental Factors on the Epidemiology of Dermatophytoses"
Lunch Break: 1300-1400	
<b>Session 7, Chairs: Boerkhoet T, Rahav G.</b>	
1400-1435	<b>Edward Sionov</b> , Israel "Molds and Mycotoxins in Agricultural Products and Food-Strategies to Overcome it"
1435-1510	<b>Rama Falk</b> , Israel "From Pond to Fish: the Eco-epidemiology of <i>Saprolegnia</i> Infections"
Coffee Break: 1510 – 15:40	
<b>Session 8, Chairs: Bouchara J-P, Weinberger M.</b>	
1510-1545	<b>Avner Shemer</b> , Israel "Presence of Different Species of Fungi in Various Sites Around Swimming Pools in Israel"
1545-1620	<b>Daniel Elad</b> , Israel "From Man to Environment to Animal and Back to Man"
1620-1730	Proffered short presentations from selected abstracts
Closing Ceremony 1730-1830	

## Scientific/Organizing Committee

- **Prof. Esther Segal**, The Sackler School of Medicine, Tel Aviv University, Tel Aviv
- **Prof. Daniel Elad**, The Kimron Veterinary Institute, Bet-Dagan
- **Prof. Itzhack Polacheck**, The Hadassah Hebrew University Medical Center, Jerusalem
- **Prof. Israela Berdicevsky**, The Bruce Rappaport Faculty of Medicine, Technion, Haifa

## Organization and Secretariat

Diesenhau Unitours  
3 Hamelacha St. Tel-Aviv  
P.O.B. 57176  
Tel-Aviv 61571, Israel  
Tel: [+972-3-5651360](tel:+972-3-5651360)  
Fax: [+972-3-5610152](tel:+972-3-5610152)
